

STEPHANIE COBB

DIGITAL DESIGNER & PHOTOGRAPHER

PROFILE

A digital designer with a thirst for knowledge. I am constantly seeking out new styles and design trends to bring fresh and innovative ideas to the table. With a passion for all things visual, I am dedicated to creating designs that not only look stunning, but also effectively communicate your message to your audience.

EXPERIENCE

Digital Designer – eMoney

2019 – PRESENT

Work alongside project stakeholders to design ebooks, infographics, Google ads, and whitepapers for both internal and external clients. Collaborate with social media manager to create eye-catching graphics for LinkedIn, Twitter, and Instagram. Develop yearly brand styles for company-led Summit for financial advisors.

Production Designer – Vistaprint

2017 – 2019

Responsible for designing and implementing web portals for Vistaprint Corporate partners. Created branded marketing materials for interational companies.

Freelance Graphic Designer

2012 – 2019

Collaborated with a variety of clients to design projects that have ranged from digital design, book cover designs and branding to Non-Profit organization work and marketing materials.

Graphic Designer – Wet Paint Printing & Design

2015 – 2017

Produced print and web materials for external client's brands. This included marketing materials, t-shirt design, advertisement design, and both indoor and outdoor signage.
